Are y'all available on Wednesday for a meeting? I have another meeting that day, but I haven't heard the time yet. I also need to see if a room is available.

As explained in my voicemail, Chromalloy is granted a 15 day extension to respond to our Special Notice Letter. Chromalloy American LLC's response is now due by August 21, 2015. A letter is being prepared to memorialize this extension. Please let me know possible meeting dates.

Sincerely,

Amy Salinas

The first week of August is not good for me, and our response is currently due Aug. 6. We would like to meet before that is finalized and submitted. Can we do an additional extension?

I am out of the office on travel most of next week. Can you meet the following week, the week of August 3? Have you spoken to Chromalloy about meeting? I am generally available in August if that week is not available.

Dear Amy,

Would you and Brian Mueller be available to meet with me, the legal representative for the Dean entities, our consultant, and perhaps representatives of Chromalloy and the Deans, some day next week or the week of July 27, to go over the Site and EPA's proposed Consent Decree and Statement of Work?
